

POST CONVICTION SEX OFFENDER TESTING COURSE

February 27-March 2, 2012 • FORT MYERS, FLORIDA

POLYGRAPH PRINCIPLES MADE SIMPLE

Staying up to date with the ever changing science of polygraph can sometimes seem cumbersome. Yet it is imperative that our agencies and polygraph examiners are using the best standards of practice. Examinees' lives can be forever altered based upon the results of the polygraph examinations administered to them. Don't we owe it to each of them to conduct polygraph examinations utilizing the best practices and most recent research supported techniques?

The Chief Instructor is Ben Blalock, who is a federally trained polygraph examiner. He has taught at a number of state and national polygraph seminars. Mr. Blalock is an APA certified Primary Instructor, was a former polygraph school director, and is a published author related to polygraph topics in various publications. Your examiners will be ready to implement these techniques immediately after training.
